1370 Stonecreek Dr. • Lawrence, Kansas 66049
785-766-9030 • coreyystone@gmail.com • www.coreystone.com

Education

B.F.A. Industrial Design - University of Kansas, May 1997 (3.6 GPA)

M.S. Biomechanics - University of Iowa, May 2000 (3.7 GPA)

Coursework included Ergonomic Design, Biomechanics, Exercise Physiology, Motor Control, Anatomy.

Experience

University of Kansas, University Relations – Lawrence, Kansas

Interaction Designer, 2006 to present

Redesigned ku.edu home page, second-level pages, and template, including management of sub-projects such as the academics/majors search. Provide usability guidance and advice, including design of the Advising system. Initiated concept for students' "My Plan" system for choosing classes and tracking degree progress. Developed "Why KU?" concept.

Cerner – Kansas City, Missouri

Senior Visual Designer, 2004 to 2006

Designed information flows and visuals for Cerner's medical web applications. Designs were created within an existing design language. Initiated new global navigation system for the Java-based medical chart.

ACT – Iowa City, Iowa

User Interface & Web Site Designer, 2002 to 2004

Designed intuitive efficient user interfaces for web applications, including creating the site architecture, graphics, and HTML. Performed various HTML and graphic work on the ACT corporate web site. Redesigned the corporate Intranet.

NEXIQ Technologies (formerly DSI) – Coralville, Iowa

Webmaster & User Interface Designer, 1997 to 2002

Designed, developed, and maintained corporate web site. Designed user interfaces and graphics for web applications, desktop software, and automotive displays. Secondary tasks included developing clients' online business strategy, creating multimedia content, technical and promotional writing/editing, and some project and customer management.

The Coach's Edge – Lawrence, Kansas

User Interface & Graphic Designer, 1997

Graphic and interface design contract work for Playbook Systems line. Learned how small businesses run and how products come to life.

University of Kansas Design & Construction Management – Lawrence, Kansas

Webmaster, summer 1997

Re-launched their web site, which involved producing original artwork, writing lots of HTML, and organizing and researching large amounts of information with minimal resources.
